

Online Reservations Terms and Conditions

RV Restrictions: The following are not permitted at Tiger Run per County Ordinances: pop-up campers; tent trailers; tents; truck campers; tiny homes/trailers; horse trailers, or; recreational vehicles with canvas/fabric slide-outs. If an RV is older than 20 years, entry is subject to approval and current photos of both the interior and exterior of the RV must be sent to park staff for approval. Only 36' or longer class A motorhomes are allowed from May 1-October 1 in any Blue River or Deluxe sites. All RVs must be fully self-contained. Tiger Run Resort reserves the right to inspect any RV prior to entry. If the RV does not meet the requirements, entry to the resort will be denied without refund. If a guest with a future reservation sells, trades or plans on bringing another RV into the resort, the resort office must be contacted to update the RV information and assure that standards are met.

Utilities: Each Chalet includes Wi-Fi internet and cable. Given that power surges or other utility failures maybe out of resort staff's control, refunds may not apply for electrical, internet, or cable outages or frozen water lines.

Bookings: The specific RV site/Chalet booked is reserved for the guest. However given unexpected events such as water loss or electric loss, it is sometimes necessary to relocate a reservation. Resort staff will contact the guest prior to moving a reservation to be sure all the guests needs have been accommodated. Due to the fact that we are a Homeowners Association and each chalet is privately owned the front desk would ask the guest to use the website to view available chalets in the same category and place them according to the needs of the individual guest. If the guest cancels due to the move, no charges will apply.

Tiger Run RV Resort is a Homeowners Association and acts as an Owner Agent. As such a Chalet may become unavailable due to a real estate transaction. In the event of a sale, the purchaser only has to honor reservations for up to 30 days after the closing date. Therefore, the guest may be provided a 30 day notice that the Chalet is unavailable. Resort staff will make every attempt to accommodate your stay in a comparable Chalet.

Check in/check out: Check in is at 4:00 pm and check out is at 10:00 am. Early or late check outs are not offered due to high volume of reservations. If you are checking in afterhours, an email will be sent to the email on file with after hour check in instructions. Emergency staff is on call until 10:00 pm. Call the after-hours technician at 970-406-8522 for after hour check in assistance. If the Chalet site is not vacated by 1:00 pm, a full night stay will be charged at full rate.
